About

Kotto from Istanbul, Turkey.

Since our beginning in 2003, we answered the question of what is the timeless jeans which truly created with heritage tradition that embraces progressive innovation.

Contemporary, tailored and perfectly fit for comfort, the affordable luxury jeans are all made with sartorialist craftsmanship. Our special treatments such as washing, abrasion, embroidery, patches are darning are meticulously worked on by hand to create the relaxed timeless look that Premiare is famous for. And using high quality cotton blends fabrics strongly supports our pure quality vision that " doing it right when no one is looking ".

We could proudly say that - Premiare Jeans is not a destination of qualified jeans, we are a journey of timeless jeans.

K O T T O

We cover it all

- We believe that flexibility and customization are key to perfection. For this reason, we work hand in hand with you to develop the most adequate solutions. Besides our existing patterns and designs based on the latest trends, we provide custom creations to reflect your inspiration.

- Most of all, we combine trends and technology to provide garments that will meet your expectations and that of your customers.

K O T T O

- 
- Throughout the various stages of development of the product – from raw material to finished garment, we strive to ensure the maximum customer satisfaction. Ultimately, our goal is to keep optimizing our processes to make your vision reality in the shortest time and smoothest way possible.
